ABOUT MYSELF

Motivated and detail-oriented mobile application developer with a Bachelor of Science in Information Technology and a growing specialization in Flutter. Demonstrates hands-on experience in developing cross-platform mobile applications through personal projects and academic work. Passionate about creating innovative, user-centric solutions with a strong commitment to continuous learning and professional growth. Eager to contribute technical skills, creativity, and problem-solving abilities to a dynamic software development team.

EDUCATION AND TRAINING

Bachelor of Science in Information Technology

Universty of Education [04/10/2020 – 22/10/2024]

Website: ue.edu.pk

LANGUAGE SKILLS

Mother tongue(s): Urdu │ Panjabi **Other**

language(s): English

SKILLS

• Flutter development for cross-platform mobile applications
• Solid understanding of Object-Oriented Programming (OOP) principles
• Basic experience with Firebase for backend integration and app services
• Version control using Git and GitHub
• Front-end development with HTML and CSS
• Introductory knowledge of JavaScript for web development

PROJECTS

Weather App , Currency Converter App , Shoes shop A pp , FYP - Quiz Cracker Application .

In our final year project, we developed a dynamic and engaging quiz application using Kotlin and XML languages, enriched with integrated APIs. This innovative app offers users a seamless experience of exploring diverse topics through interactive quizzes. By leveraging APIs, the app fetches real-time data, ensuring that the content is always fresh and up-to-date. Whether users are looking to test their knowledge on science, history, literature, or pop culture, this quiz app has them covered.
